GOVERNMENT ARTS AND SCIENCE
COLLEGE

(Affiliated to Thiruvalluvar University)

Thennangur,Vandavasi
Thiruvannamalai Dt 604408

Tamilnadu, India.

Profile of the College

Government Arts and Science College, Thennangur,Vandavasi 604 408 was established in the academic year 2010-2011. The college has marked a reawakening for Thennangur, a town in Vandavasi Taluk nested between Kanchipuram to Pudukcherry. It offers eight UG courses (B.Sc Mathematics, Physics, Computer Science , Zoology and Bio chemistry , B.Com , B.A English and Tamil) and Two PG courses (M.Sc Mathematics and M.Com). Mission of our college is to develop students from rustic area, to cultivate them with more values. The College has 8 departments with over 1400 students.

Profile of the Department

The Department of Computer Science was established in the year 2010. Over the past few years ,the department has acquired national and international importance. It has qualified faculty members who actively engage teaching and research. The mission of our department is to help the rural students by educating them with the ability to observe and deal with the real world problems with most modern skills.

About the Conference

International Conference on Recent Trends in Computer Science, Applications, Technology, Data Science and Mathematics aims to focus on recent advancements, innovative methodologies, and emerging research outcomes in the fields of computer science, technological applications, data science, and mathematics. The conference emphasizes both theoretical foundations and practical applications that address contemporary challenges across interdisciplinary domains.

The objective of the conference is to bring researchers, academicians, and industrial professionals under a single roof to share their ideas, novel findings, and innovations related to recent trends in computer science ,applications, technology, data science, and mathematics, thereby fostering collaboration, knowledge exchange, and future research development.

Call For Paper

Faculty Members, Research Scholars, Students and Industry Professionals are invited to participate and present papers in the conference. The paper should be in IEEE format not exceeding 6 pages. Complete papers can be sent through Email: gasccsdepttgr@gmail.com. The submissions of the papers will be peer reviewed and evaluated based on originality, technical contribution, readability and depth of knowledge. Any one of the authors of the selected paper must register and present the paper at the Conference.

Conference Theme

Authors are invited to submit original, unpublished Full-length research papers that present innovative ideas and findings across a broad spectrum of topics including but not limited to:

- Artificial Intelligence
- Advanced Networking
- Next-Generation Wireless Networks
- Machine Learning
- Data Structures and Algorithms
- Computer Vision
- Data Mining
- Data Science and Analytics
- Cyber security
- Image and Signal Processing
- Neural Networks
- Embedded System
- Robotics and Automation
- Internet of Things
- Fuzzy Logic
- Mathematical Model for Computer Science
- Statistical Methods in Data Science

Invited Speakers of the Conference

Mr.Udayakumar Mathivanan,
CTO & Founder-iDataMind, UAE.

Dr.S.Kamalakkannan,
Professor & Prg.Coordinator ,
Dept of Computer Applications
VISTAS-Pallavaram,Chennai.

Dr.M.Ramesh Kumar,
Associate Professor & Head,PG &
Research Dept of Computer Science
Govt Arts College(Aut.) ,Nandanam.
